Owner's Name & Dog's Address _____

Phone Number(s) _____

Owner's Email _____

Is your dog in good health?

Yes

No

Has your dog had previous training?

Yes

No

If yes, please note level of training & who provided the training:

We provide a safe and caring supervised environment that helps your puppy deal with separation anxiety, fear of other dogs, and healthy play habits. Once your pup has attended 5 full Monday play sessions we will graduate them on to the other days of the week!

Your pup will get to experience 5 full experienced playdates that allow the pups to explore and interact in a positive setting for up to seven hours at the start of each week. Routine is key!

Policy

ENROLMENT FORM & FEES: All dogs enrolling in our Monday Puppy Class will require payment prior to admission. I understand that no refund will be given later than one week prior to the beginning of the course and a \$35.00 administration fee applies should I wish to cancel. All dogs enrolled in our Puppy Class must have a complete, up-to-date, and approved enrolment form on file. If anything changes in terms of your pet's health or your contact information you will provide PUP staff with the changes.

- 1.) I understand before attending my first initial visit I provide proof of vaccinations electronically or a hard copy.
- 2.) I have already made payment and completed this form in order to be registered for a Monday Session.
- 3.) I understand my dog is under ONE year- old and we use this time to introduce new puppies to a small, social setting to learn the ropes to dog language and behavior.
